wine & drink list**

I am passionate about this wine list

It is an accumulation of influences from 30 years experience in the wine industry

Bringing together the joy of wine and food

It was Len Evans who said "you should never drink great wine by yourself"

"And that the real joy of great wine was in the sharing"

It is hoped this wine list assists in a great sharing experience

Wine

Kolonne Null "Column Zero"

In 2018 Philipp Roble and Moritz Zyrewitz started to approach top producers in Germany, Austria and France who all shared the amazement at the lack of high quality, alcohol free food wine which still expressed their sense of place and true varietal character. Through their endeavours, they have built what is probably Europe's most specialised, non alcoholic wine company.

DOMAINE DUJAC

Jacques Seysses created Domaine Dujac in 1967 having decided to turn his passion into his vocation. He purchased a somewhat rundown Domaine Graillet in Morey-St Denis and quickly turned things around to make a showstopping debut with the 1969 vintage.

From the first 5ha purchase which has grown to around 17ha today, the jewels of the domaine are the seven plots in Grand Crus. Away from these exalted sites there are impeccable village vineyards and magnificent 1er crus.

It is all about simplicity. The use of whole bunches in fermentation is a distinctive feature, with the belief that they add complexity and give silkier tannins.

They must be ripe so the approach is carefully adjusted according to the vintage.

Dujac's wines are not renowned as the most powerful and nor do they want them to be. These are wines of polished finesse and restraint, elegant aromatics, and depth of fruit. They are nothing short of beguiling.
