

BELLS AT KILLCARE

wine & drink list

I am passionate about this wine list.

It is an accumulation of influences from 40 years experience in the wine industry.

Bringing together the joy of wine and food.

It was Len Evans who said "you should never drink great wine by yourself".

And that "the real joy of great wine was in the sharing".

It is hoped this wine list assists in a great sharing experience.

NON ALCOHOLIC WINE

In 2018 Philipp Roble and Moritz Zyrewitz started to approach top producers in Germany, Austria and France who all shared the amazement at the lack of high quality, alcohol free food wine which still expressed their sense of place and true varietal character.

Through their endeavours, they have built what is probably Europe's most specialised, non alcoholic wine company.

Clos Rougeard

Due to the extreme rarity of its wines, and the fact that its pure Cabernet Franc may be the worlds greatest, Clos Rougeard has become to the Loire Valley as Henri Jaye was to Burgundy, and represents the winemaking of some of France's most gifted, Nady and Charly Foucault.
