

BELLS AT KILLCARE

wine & drink list

I am passionate about this wine list.

It is an accumulation of influences from 40 years experience in the wine industry.

Bringing together the joy of wine and food.

It was Len Evans who said "you should never drink great wine by yourself".

And that "the real joy of great wine was in the sharing".

It is hoped this wine list assists in a great sharing experience.

NON ALCOHOLIC WINE

In 2018 Philipp Roble and Moritz Zyrewitz started to approach top producers in Germany, Austria and France who all shared the amazement at the lack of high quality, alcohol free food wine which still expressed their sense of place and true varietal character. Through their endeavours, they have built what is probably Europe's most specialised, non alcoholic wine company.

GOSSET

CHAMPAGNE

Champagne Gosset - The Oldest Wine House in Champagne

Founded in 1584 in the village of Ay, Champagne Gosset is the oldest wine house in Champagne. For over four centuries, Gosset has remained true to its philosophy: crafting wines of depth, precision, and elegance.

Unlike most producers, Gosset famously avoids malolactic fermentation. This preserves the purity of the fruit, the natural freshness of the grapes, and the remarkable capacity of their wines to age gracefully. The style is unmistakable – powerful yet refined, marrying ripe orchard fruit, citrus zest, and mineral tension with layers of brioche, almond, and spice that develop over time.

Today, Gosset continues to source grapes from some of the region's finest crus, producing Champagnes that are celebrated for their structure, vitality, and longevity. From the expressive Grande Réserve Brut to the rare Celebris prestige cuvée, each bottle reflects a lineage of craftsmanship dating back more than 400 years.

Jean-Pierre Mareigner, former winemaker at Gosset, reflected: "At Gosset, we produce a wine first and foremost – the bubbles only add to its beauty."

PATRICK SULLIVAN

CHARDONNAY

Patrick Sullivan is a "farmer-first" winemaker obsessed with the energy of volcanic soils. His "hands-off" philosophy prioritises site health over cellar intervention, resulting in Chardonnays of immense purity and "volcanic crunch." This selection spans his high-altitude West Gippsland estate – home to Bull Swamp, Ada River, and Camp Hill – alongside premium parcels from the Yarra Valley (Willow Lake, Woori Yallock) and Henty (Black Sands). Patrick Sullivan's wines are a definitive study of Victorian terroir and mineral tension.

Fourth-generation vigneron Fabien Coche crafts precise, classically styled white Burgundies from old vines across Meursault and the Côte de Beaune. Farming organically with minimal intervention in the cellar, this domaine is known for wines of purity, tension and quiet power rather than overt richness or oak.

DOMAINE DUJAC

Dujac's wines are not renowned as the most powerful, and nor do they want them to be. These are wines of polished finesse and restraint, elegant aromatics and depth of fruit. With seven Grand Crus in the stable, Dujac is today one of Burgundy's leading domaines.

"Use knowledge and technology to counter accidents - for example, bad weather - but if all is going well, don't interfere"

- Jacques Seysses

CHÂTEAU MONT-REDON

Château Mont-Redon have a legacy of dedication and expertise. The superb quality of its vineyards has been recognized throughout history and prior to the adaptation of the appellation controlee system it was one of the few "Grand Crus" in the region (together with Chateau Rayas).

Clos Rougeard

Due to the extreme rarity of its wines, and the fact that its pure Cabernet Franc may be the worlds greatest, Clos Rougeard has become to the Loire Valley as Henri Jayet was to Burgundy, and represents the winemaking of some of France's most gifted, Nady and Charly Foucault.

SPIRITS

Rum/Cachaça

Red Mill is an authentic, harbourside distillery based in the historic White Bay Steelworks, Rozelle. Originally founded in 1933 and now revived by the founder's great-grandson, the brand blends deep Sydney heritage with modern premium craftsmanship.

Features a one-of-a-kind barrel program utilizing globally sourced casks, many of which are exclusive to the distillery in Australia.

We have created with the Red Mill team, a unique house rum, amaro as well as ranging a small number of their single barrel rums, in particular the Red Mill Rum Sami Odi cask, recently awarded Spirit of the Year 2025, The Australian
